

# Where you go after law school largely depends on your sense of direction.

## Join the nation's leading online career network dedicated to legal professionals.

In 1991, EmplawyerNet became the first online career network dedicated to the legal profession. Today, we publish the nation's leading database of job opportunities for lawyers and law students. When you join, hundreds of employers have access to your profile, and you receive job leads filtered by your preferences via email daily. You'll also have access to EmplawyerNet's Career Library, networking tools, job-hunting links, and the Internet's top legal employment and career development resource.

**Special Student Rates for EmplawyerNet Premium Memberships are now available!**

Students receive a significantly lower rate for EmplawyerNet membership. At just \$7.95 per month, the career resources of EmplawyerNet are already a tremendous value. But if your school is a designated Participating Institution, we'll further discount your monthly rate to \$5.95. Annual subscribers receive even larger savings, at only \$69.95 per year, or \$49.95 for Participating Institutions. Life can be an open road. We can help guide your way.
